Scienti Enroute to Amarillo.
We are to have one grand treat next Wednesday night, December 13, in the appearance of the Italian pianist, Scienti. Never before have the

music loving public of Amarillo had the opportunity of hearing such an artist at home.

Scienti toured his native land in concert many years before making his two American tours, and the press everywhere he has appeared class him among the world's greatest artists, many going so far as to call him a Rubinstein.

Scienti gives his recital at Wichita, Kansas, tonight under the auspices of the Wichita Conservatory of music, which is his second appearance in Wichita. He southwestern tour includes Oklahoma City, Dallas, Fort Worth, Galveston, Houston and El Paso, thence to the western coast.

The writer is in receipt of a personal letter from Harry Culbertson, manager and musical critic of the Western Musical Herald, published in Chicago, Fine Arts building, in which Mr. Culbertson states that the concert grand piano, built by the Kimball Co., especially for Scienti, is one of the greatest pieces of workmanship ever turned out by the Kimball factory. This piano has a soft, velvety tone and responds to every demand of the artist.

Mrs. Kerrigan Entertains.
Monday afternoon from 2 until 6 o'clock, Mrs. M. E. Kerrigan entertained at Forty-Two in honor of her guest, Mrs. Dunn of Fort Worth. Thirty-six beautifully gowned women gathered around the tables and entered into the games most enthusiastically. Mrs. J. V. Hughes and Mrs. Radford made the high score, cutting for the favor, a handsome fern box, which fell to Mrs. Radford. The guest favor for Mrs. Dunn was an exquisite cut glass jewel box. Mrs. Flaherty was consoled with a two-pound box of Huyler's.

Following the games a beautifully appointed luncheon was served.

Those present were Mesdames Koch, Sanders, Chase, DuPuy, Goodlett, Greathouse, Wilkerson, Wood, Caskey, Hughes, Flaherty, Narcross, Wilson, Clarendon, Tullis, Spear, Williams of Clarendon, Simpson, Dunn, of Fort Worth, Wall, Peppie, Watkins, F. D. Hendrix, Brazil, Newby, Matthew, Radford, Hargrave, Jones, Ward, Watt, Clower, Hawkins, Sparks, and Misses Decker, Ensminger, Simpson and Joy Goodlett.

MEMPHIS.

Highly Honored.

Mrs. W. L. Wheat has been appointed by Mrs. O. B. Colquitt of Austin as chairman of the local Red Cross committee and has sent her 2,500 Red Cross Seals to be sold during the holidays. Mrs. Wheat has appointed several subcommittees to push the sale of these tags and anyone desiring them will see Mrs. Wheat. With the sale of these Red Cross seals in progress in almost every state and city of the United States, the National Association for the study and prevention of tuberculosis is issuing the following instructions to its fifty thousand paid and volunteer workers engaged in selling the seals, and to the million who will buy these holiday stickers for use on their holiday mail:

The Post Office Department has approved of the Red Cross design, and they may, therefore, in accordance with order No. 5620 of the Post Office Department "be affixed to the reverse side of domestic mail matter." Red Cross Seals must be placed only on the back of letters and not on the address side of any packages that are going through the mail. They may be placed anywhere on matter going by express. As many seals may be used on the back of a letter or package as may be desired. Everyone is urged to use them liberally, since every seal is a bullet in

the fight against tuberculosis.

Care should be exercised in sending merchandise through the mails not to place seals over the string with which the package is tied, since this seals the package against inspection and subjects it to first-class postage rates.

Red Cross Seals may be used also on the reverse side of mail matter sent to Austria, Germany, Great Britain and most of the British colonies except India and Australia, Guatemala, Uruguay and Portugal refused to admit mail bearing non-postage stamps.

Red Cross Seals may be used on the face of checks, on bills, on legal documents, and on any commercial paper.

These Christmas seals are not good for postage. They will not carry any kind of mail matter, but any kind of mail matter will carry them. The slogan of the campaign this year is "A million for tuberculosis from Red Cross Seals." Every letter or parcel sent out during the holiday season should bear one or more seals.
